MEMORANDUM FOR: Special Assistant, TSG

THROUGH : Chief, Research and Engineering Division, TSG

SUBJECT : Resume [REDACTED]

25X1

At your request, we have reviewed the attached resume sent to Mr. Lundahl [REDACTED] I have checked with a number of our project officers who have had contact with [REDACTED] during his employment at [REDACTED]

25X1

[REDACTED] Our engineers speak very highly of [REDACTED] capabilities; and under different circumstances, he would make a very welcome addition to our staff. However, there are currently no openings within the Research and Engineering Division, and there is little hope of establishing a new position at any grade that would be commensurate with [REDACTED] obvious capabilities. It is unfortunate that we are currently receiving applications from so many exceptional people now that our organization is at full complement. We will Xerox [REDACTED] application and file it for future reference against a future vacancy.
